

PTA (PARENTS TEACHER ASSOCIATION)

The Parent –Teacher Association (PTA) is a statutorily constituted body which aims at the overall development of the school. Parental co-operation in creating a healthy campus atmosphere is utmost importance. The PTA aspires for co-operation and participation of parents in full measure, in the wholesome activities of the school. An executive committee consisting of the Principal as Chairman, a parent as President, a teacher elected as secretary and fourteen other members from teaching and parents, meets frequently to carry out the regular affairs of the school. Positive and negative feedback is openly discussed for timely improvement and correction.
